Independent Auditor's Report

Board of Directors
Independence Now, Inc.
Silver Spring, Maryland

We have audited the accompanying financial statements of **Independence Now, Inc.** (a nonprofit organization), which comprise the Statements of Financial Position as of September 30, 2020 and 2019, and the related Statements of Activities and Changes in Net Assets, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report (continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Independence Now, Inc.** as of September 30, 2020 and 2019, and the changes in their net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 26, 2021, on our consideration of **Independence Now, Inc.**'s internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering **Independence Now, Inc.**'s internal control over financial reporting and compliance.

Notes to Financial Statements

1. Organization and significant accounting policies

Organization: Independence Now, Inc. (“Independence Now” or the “Organization”) is a 501(c)3 corporation and is a consumer controlled and directed non-profit organization which provides various independent living and other services to individuals with disabilities residing in Montgomery and Prince George's counties, in Maryland.

Organized in 1994 and opened during 1995, Independence Now offers the following services:

Independent Living Services:

Independent Living Services - Provides Independent Living Services to individuals with significant disabilities who reside in Montgomery and Prince George's counties so that they may live in the community. This is done primarily through peer counseling, advocacy and information, and referral services. Independent living specialists meet and work with consumers on an individual basis.

Money Follows the Person Peer Outreach Project - Performs peer outreach to nursing facility residents in Montgomery and Prince George's counties. The purpose of this effort is to offer nursing facility residents information about the option to receive services in the community and to refer those who are interested in exploring community-based options to resources for information and transition assistance.

Community Services:

Assistive Technology - Provides basic assistive technology to eligible individuals with significant disabilities when such services are needed to achieve the goal established under the Independent Living Plan. Assistive technology can include: aids for daily living, environmental control units, communication devices and hearing aids, etc. The program assists with purchases or repairs within the constraints of funding limits.

Employment Services- Offers job development and job coaching to people with disabilities who are seeking employment and consumers of Department of Rehabilitation Services or Development Disabilities Council.

Youth Leadership Forum (YLF) - Hosts an annual week-long leadership training program for high school students with disabilities. Students are given the opportunity to gain skills in self-advocacy and leadership, as well as learn about resources available to them. This event and alumni events offer networking opportunities with other students and a chance to volunteer with the YLF.

Independence Now, Inc.

Notes to Financial Statements

Work Incentives Planning and Assistance (WIPA) - WIPA assists individuals with disabilities and members of the aging community who receive disability benefits from Social Security who want to explore returning to work. People who request services receive individual assistance from a Certified Community Work Incentives Coordinator who helps to identify employment goals and options to achieve those goals.

Supports Planning - From a consumer driven and person-centered perspective we assist and support individuals to remain in community settings, transition from nursing facilities, and coordinate care. This is a Medicaid case management program for individuals on a Home and Community Based waiver.

Basis of accounting: The financial statements have been prepared on the accrual basis of accounting, which is in accordance with accounting principles generally accepted in the United States of America.

Cash and cash equivalents: Independence Now considers demand deposits, money market funds and commercial paper with original maturities of three months or less to be cash and cash equivalents. Independence Now maintains accounts which may exceed federally insured limits. Management does not consider this to be a significant credit risk.

Investments: Investments in marketable securities and mutual funds are presented at fair value based on quoted market prices in principal active markets for identical assets. Management's estimates are based on information provided by the fund managers. Money market funds are recorded at cost, which approximates fair value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investment income includes Independence Now's gains and losses on investments bought, sold, or held during the period.

Fair value of financial instruments: As of September 30, 2020 and 2019, the estimated fair values of financial instruments subject to fair value disclosures were determined based on available market information and valuation methodologies believed to be appropriate for these purposes.

Gains and losses on investments, including changes in fair value, are reported in the Statements of Activities and Changes in Net Assets as increases or decreases in net assets without donor restrictions unless their use is restricted by donor stipulation or applicable laws.

Independence Now, Inc.

Notes to Financial Statements

Fair value: Independence Now values certain investments at fair value in accordance with a three-tier fair value hierarchy, which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1. Observable inputs such as quoted prices in active markets for identical assets or liabilities;

Level 2. Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and,

Level 3. Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the fair value methodologies used at September 30, 2020 and 2019.

Grants and contracts receivable, net: Grants and contracts receivable include all current billed and unbilled costs chargeable to those awards within respective cost limits. All unbilled receivables will be billed at the next billing date and are expected to be collected within a twelve-month period. The face amount of receivables is reduced by an allowance for doubtful accounts, if needed. The allowance for doubtful accounts reflects the best estimate of probable losses determined principally on the basis of historical experience. Grants and contracts receivable are written off at the time management determines that the receivable will not be collected. The allowance for doubtful accounts was \$16,573 and \$18,335 as of September 30, 2020 and 2019, respectively.

Property and equipment: Property and equipment over \$2,500 are stated at cost if purchased and at fair value if contributed and are depreciated using the straight-line method over the estimated useful lives of the assets as follows:

Furniture and fixtures	5 to 7 years
Website	5 years
Assets acquired under capital lease	Shorter of life of lease or 5 years

Independence Now, Inc.

Notes to Financial Statements

Impairment of long-lived assets: Independence Now evaluates the carrying value of its long-lived assets held for use based upon a comparison of the undiscounted future net cash flows to the net book value. These evaluations for impairment are significantly impacted by estimates of revenue, costs and expenses, and other factors. If the net book value is greater than the future undiscounted cash flows estimated, Independence Now records an impairment adjustment to reduce the cost basis of the asset to its fair value.

At September 30, 2020 and 2019, Independence Now performed a recoverability analysis of all long-lived assets and does not believe an impairment adjustment is required.

Net assets: Net assets without donor restrictions are the part of net assets that are not subject to donor-imposed restrictions. They are available for support of all organizational operations and services.

Net assets with donor restrictions are net assets subject to donor-imposed stipulations that may be held permanently or that will be met either by actions of the Organization and/or the passage of time. When a donor restriction expires, that is, when the time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions. When a donor restriction is satisfied in the same period it is received, the assets are classified as net assets without donor restrictions. As of September 30, 2020 and 2019, the Organization had net assets with donor restrictions totaling \$35,759 and \$33,047, respectively.

Independence Now, Inc.

Notes to Financial Statements

Revenue recognition: Amounts received under grants and contracts are recognized as revenue when the related allowable expenses are incurred. Amounts received for services related to job development and coaching are recognized as the services are provided. Funds received for services and benefits that have not yet been provided or events that have not yet occurred are recorded as deferred revenue.

Unconditional contributions received are recorded as support with donor restrictions or without donor restrictions, depending on the existence and/or nature of any donor imposed restrictions. For conditionally funded U.S. government grants and certain other conditional government grants, revenue is recognized as qualifying direct and allocated indirect expenses are incurred. Other conditional foundation and corporate grants are recognized as stipulations related to the purpose of the underlying agreements are satisfied by Independence Now. Conditional funding received in advance is reported as deferred revenue. Revenue associated with reimbursable costs incurred in excess of advances and reimbursements is reported as grants receivable. Conditional contributions associated with government grants, but not yet expended or recognized, totaled \$5,806 and \$15,116 as of September 30, 2020 and 2019, respectively. Other conditional contributions not yet recognized totaled \$600 and \$0 as of September 30, 2020 and 2019, respectively.

Gifts of cash and other assets are reported as support with donor restrictions if they are received with donor stipulations that limit the use of these assets. When a donor restriction expires, that is, when some stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statements of Activities and Changes in Net Assets as net assets released from restrictions.

Allocation of functional expenses: The costs of providing the various programs and other activities have been summarized in the accompanying Statements of Activities and Changes in Net Assets. Costs which cannot be specifically identified with a particular function and which benefit more than one functional category are allocated by direct attribution based on management estimates.

Expenses that are allocated include the following:

<u>Expenses</u>	<u>Method of Allocation</u>
Salaries and related expenses	Time and effort
Professional fees	Direct attribution
Occupancy	Estimated usage
Travel	Time and effort
Staff development and training	Direct attribution
Depreciation and amortization	Direct attribution
Other expenses	Direct attribution

Independence Now, Inc.

Notes to Financial Statements

Use of estimates: The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Tax status: Independence Now is a public charity exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code and is classified as an organization that is not a private foundation.

Uncertainty in income taxes: Independence Now evaluates uncertainty in income tax positions taken or expected to be taken on a tax return based on a more-likely-than not recognition standard. If that threshold is met, the tax position is then measured as the largest amount that is greater than 50% likely of being realized upon ultimate settlement. As of September 30, 2020 and 2019, there are no accruals for uncertain tax positions. If applicable, Independence Now records interest and penalties as a component of income tax expense. Tax years from 2017 through the current year remain open for examination by tax authorities.

Subsequent events: Management has evaluated subsequent events for disclosure in the financial statements through March 26, 2021, which is the date the financial statements were available to be issued.

New accounting standards adopted during 2020: In June 2018, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which provides additional guidance on characterizing grants and similar contracts with resource providers as either exchange transactions or contributions, as well as distinguishing between conditional contributions and unconditional contributions. The updated standard was effective for resource recipients for annual reporting periods beginning after December 15, 2018 and resource providers one year later. ASU 2018-08 was adopted by Independence Now in fiscal year 2020 and was applied to all agreements not completed as of October 1, 2019. There have been no significant changes to the timing of revenue recognition that resulted from adoption; however, the presentation and disclosures of revenue has been enhanced.

Recent accounting pronouncements not yet adopted: In May 2014, the FASB issued ASU 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which amends the existing accounting standards for revenue recognition. In August 2015, the FASB issued ASU 2015-14, *Revenue from Contract with Customers (Topic 606): Deferral of the Effective Date*, which delayed the effective date of ASU 2014-09 by one year.

Independence Now, Inc.

Notes to Financial Statements

In June 2020, the FASB issued ASU 2020-05, *Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842), Effective Dates for Certain Entities*, which further delays the effective date of ASU 2014-09 to annual reporting periods beginning after December 15, 2019. Entities are also allowed to choose to adopt the standard as of the original effective date. Additionally, various updates have been issued to clarify the guidance in Topic 606. The guidance includes indicators to assist an entity in determining whether it controls a specified good or service before it is transferred to the customers. The new standard permits two methods of adoption: retrospectively to each prior reporting period presented (full retrospective method), or retrospectively with the cumulative effect of applying the guidance recognized at the date of initial application (the modified retrospective method). Independence Now adopted this new standard as of October 1, 2020. Independence Now has not yet selected a transition method and is currently evaluating the effect that the standard will have on the financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*, which supersedes the existing lease accounting standard and sets out principles for the recognition, measurement, presentation and disclosure of leases. Under the new guidance, a lessee will be required to recognize lease assets and lease liabilities for all leases with lease term in excess of twelve months. The new standard requires lessees to apply a dual approach, classifying leases as either finance or operating leases based on the principle of whether or not the lease is effectively a financed purchase by the lessee. This classification will determine whether lease expenses is recognized based on an effective interest method or on a straight-line basis over the term of the lease. In June 2020, the FASB issued ASU No. 2020-05, *Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842), Effective Dates for Certain Entities*, which delays the effective date of ASU 2016-02 to annual reporting periods beginning after December 15, 2021. Entities are also allowed to choose to adopt the standard as of the original effective date. Independence Now plans to adopt this new standard as of October 1, 2022. Independence Now is in the process of evaluating the impact from this new guidance.

2. Information regarding liquidity and availability

Independence Now strives to maintain liquid financial assets sufficient to cover 90 days of general expenditures. Financial assets in excess of daily cash requirements are invested in money market funds and other short-term investments.

The following table reflects the Independence Now's financial assets as of September 30, 2020 and 2019, reduced by amounts that are not available to meet general expenditures within one year of the Statements of Financial Position dates because of contractual restrictions or internal board designations.

5. Risks and uncertainties

Independence Now holds investments in various securities that are exposed to risks, such as interest rate, credit, and overall volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in future financial statements.

The impact of the coronavirus outbreak, or similar widespread health concerns, could negatively impact Independence Now's operations, donors, staff, and program activities. The operations for certain services could continue to be negatively impacted by the outbreak of illnesses, including coronavirus (COVID-19). Any quarantines, labor shortages or other disruptions to operations may adversely impact Independence Now's revenues, ability to deliver its services, and operating results. In addition, a significant outbreak of epidemic, pandemic or contagious diseases in the human population could result in a widespread health crisis that could adversely affect the economies and financial markets in which Independence Now operates, resulting in an economic downturn that could affect demand for our services. Independence Now is unable to accurately predict the possible future effect if coronavirus or another disease expands globally.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of **Independence Now, Inc.** (a nonprofit organization), which comprise the Statements of Financial Position as of September 30, 2020 and 2019, and the related Statements of Activities and Changes in Net Assets, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated March 26, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered **Independence Now, Inc.’s** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **Independence Now, Inc.’s** internal control. Accordingly, we do not express an opinion on the effectiveness of **Independence Now, Inc.’s** internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* (Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **Independence Now, Inc.’s** financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor’s Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

Board of Directors
Independence Now, Inc.
Silver Spring, Maryland

Report on Compliance for Each Major Federal Program

We have audited **Independence Now, Inc.’s** compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of **Independence Now, Inc.’s** major federal programs for the year ended September 30, 2020. **Independence Now, Inc.’s** major federal programs are identified in the summary of auditor’s results section of the accompanying Schedule of Findings and Questioned Costs.

Management’s Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of the federal awards applicable to their federal programs.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of **Independence Now, Inc.’s** major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about **Independence Now, Inc.’s** compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of **Independence Now, Inc.’s** compliance.

Independent Auditor’s Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance (Continued)

Opinion on Each Major Federal Program

In our opinion, **Independence Now, Inc.** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of their major federal programs for the year ended September 30, 2020.

Report on Internal Control over Compliance

Management of **Independence Now, Inc.** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered **Independence Now Inc.’s** internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of **Independence Now Inc.’s** internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Notes to Schedule of Expenditures of Federal Awards

-
- 1. Basis of presentation** The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of **Independence Now, Inc.** under programs of the federal government for the year ended September 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of **Independence Now, Inc.**, it is not intended to and does not present the financial position, changes in net assets, functional expenses, or cash flows of **Independence Now, Inc.**
- 2. Summary of significant accounting policies** Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.
- 3. Indirect cost rate** Independence Now has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.
- 4. Reconciliation of revenue** The reconciliation of the Schedule of Expenditures of Federal Awards to the Statement of Activities and Changes in Net Assets is as follows:

SECTION II - FINANCIAL STATEMENT FINDINGS

None

SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

SECTION IV – PRIOR YEAR FINDINGS

Finding 2019-001: Reportable Finding Considered a Significant Deficiency – Closing process and accounting for funds received in advance

Criteria: The auditee is responsible for establishing and managing policies and controls that can support accurate, current, and complete disclosures of their financial information as required by accounting principles generally accepted in the United States of America (GAAP). The recognition of revenue and support of an entity involves the consideration of two factors: being realized or realizable, and being earned. In the case of contributions, it also involves overcoming barriers that create donor-imposed conditions on funding received.

Condition: During testing we noted revenue was recognized for funding received when conditions regarding the use of the assets had not been satisfied.

Context: Internal controls were not in place to identify funding received that was conditioned upon meeting a specified level of service. As a result, a portion of advance funding was moved to deferred revenue. Additional procedures were performed to examine controls over financial reporting, and no other instances were identified in the current period.

Cause: We noted there was not proper oversight of financial reporting to ensure the appropriate treatment of funds received that contained conditions and stipulations creating barriers precluding revenue recognition.

Effect: The net adjustments decreased net assets with donor restrictions and the current year change in net assets.

Current Year Status: The auditor noted no significant entries that were required to correct financial statement accounts, and based on the procedures performed the auditor identified no similar matters in the current year.

Independence Now, Inc.

Schedule of Findings and Questioned Costs (Continued)

Year ended September 30, 2020

Finding 2019-002: Reportable Finding Considered a Material Weakness – Controls and financial reporting for payroll costs

Criteria: The auditee should have controls in place to prevent and detect misstatements by assessing the reasonableness of payroll costs.

Condition: During testing we noted that two employees were underpaid in comparison with their most recent employment agreements. This was the result of errors in calculations by the payroll provider, and these errors were not identified by management in a timely manner and resulted in an understatement of payroll expenses.

Context: Internal controls were not in place to identify the discrepancy in pay rates for the identified employees in a timely manner. Internal controls over payroll costs are an essential component of preventing and detecting misstatements.

Cause: We noted that policies and controls in place surrounding payroll expenditures were not sufficient to ensure the accuracy and completeness of payroll costs.

Effect: Employees are entitled to additional compensation from the Organization, and adjusting journal entries were made to accrue the costs.

Recommendation: We recommend that the Organization establish a control to review payroll registers for accuracy and completeness on a periodic basis.

Current Year Status: The auditor noted no similar issues in the current year.
